2016 Sponsorship Opportunities

HELP MAKE A DIFFERENCE AND DONATE TODAY!

The Race Against the Odds - a nationwide series of 5K events - is a signature event for The Cure Starts Now. The Cure Starts Now is a 501(c)(3) non-profit dedicated to funding research for pediatric brain cancer...the type of research that could lead to the HOMERUN CURE...a cure for ALL cancers.

As a race sponsor, you will join in our quest to find this cure and putting an end to this tragic disease.

The Race Against the Odds - Illinois is the premier event for The Cure Starts Now Foundation in the Woodstock area. This family friendly run and walk is organized in honor of a forever 12-year-old girl named Hope Alizah Kimlee Fuller.

The Cure Starts Now (CSN) is a 501(c)(3) non-profit organization started by Brooke and Keith Desserich after the loss of their daughter to brain cancer. Thanks to the efforts of many companies around the nation, CSN is able to provide funding of experimental treatments and research at Cincinnati Children's Hospital, St. Jude's Children's Research Hospital, Stanford University and more. Yet, there is so much more left to be funded....
