

HELP FIND THE HOMERUN CURE FOR ALL CANCER.

Harleigh was just over 2 years old when she exploded into our lives. She immediately took over our hearts and our house much to our old dog's chagrin. Our couch was her new jungle gym and she wanted to be just like her new dad. Whenever we went anywhere, she would find someone and be their best friend for the entire time we were there, though she always forgot to get their name. She never wanted anyone to play alone but would stand up for herself if anyone tried to bully her or her friends. Harleigh passed on December 5th, 2023 at the age of 9 after a 17 month battle with DIPG. Her brain was donated to research and scientists were able to produce a cell line off of her cancer tissues. This means that though her body has passed on, she is **STILL** fighting cancer.

The Cure Starts Now is an IRS recognized 501(c)(3) non-profit organization. All proceeds will go to The Cure Starts Now. **All donations are tax deductible in accordance with IRS regulations.**
