

# HELP FIND THE HOMERUN CURE FOR ALL CANCER.

This event is in honor of Alexis Reinders. Alexis was a very kind and funny girl. She always made friends easily. Her teachers always commented on how sweet she was towards other children. She loved princesses, JoJo Siwa, going to the beach, attending church and dancing.

Alexis was diagnosed with a very aggressive, terminal brain tumor called DIPG. She received the standard 6 weeks of radiation and participated in the ONC201 trial. When an MRI showed her tumor was in progression and had metastasized, she was withdrawn from the trial. Alexis went through another 20 rounds of radiation giving her a few more months of time to create memories with her parents and older Sister, Chloe. She battled a full year, July 16, 2019 to July 16, 2020.

During her short 7 years on Earth Alexis positively impacted many people. Her light continues to shine down from heaven.

The Cure Starts Now -Texas Austin/Round Rock Chapter is a 501(c)(3) non-profit organization started by Melissa and James Fleming in honor of their son Brock, and also honors Katelyn Chatron, Claire Hernandez, and Alexis Reinders. Thanks to the efforts of many companies around the nation, CSN is able to provide funding to research hospitals and new, innovative treatments. Yet, there is still so much more left to be funded...
