

# HELP FIND THE HOMERUN CURE FOR ALL CANCER.

Brayleigh King was a sparkling, energetic, happy 7-year-old, who loved unicorns, music, ice cream, her friends, and her family. Brayleigh's smile would light up any room and she had a heart of gold. Her heart overflowed with kindness, and she set an example for all of us. She valiantly battled for eight months before regaining her angel wings. Her whole life, she was applauded for her positive attitude and outlook on life, and she never let DIPG steal that from her. She was the strongest little girl and fought hard all the way up to her last breath. In honor of Brayleigh, we choose to continue her legacy by advocating for childhood cancer in hopes of finding the homerun cure.
